Author of How to Pray

We were created to enjoy a real, conversational relationship with God. But how do we really hear God? Nothing could possibly matter more than learning to discern his authentic voice.

Join us as we explore the poignant conversation on the road to Emmaus with Christ and a couple of his followers. Next, we will discover the ancient approach to spiritual listening known as lectio divina. Lastly, we will be challenged to hear God's Whisper in the whole of life.

If interested, contact Beverly Ray for more information.

If you plan to attend, get a copy of the book. They are available on Amazon.

Snapshots of Luke and Acts will be a deeper look at some of the teachings of Luke in these two books that cover the life of Christ and the beginning of the Church. **Clayton Croy** will be leading the class and will use his vast experience in the scriptures and study to open up and give powerful Snapshots into Luke's writings.

You can sign up on the church counter or contact Clayton Croy for more information.

The only resource you will need will be your Bible. Come join us.
