## E-Messenger

**Our Mission Statement** To build a family of believers who glorify God and help each other become fully devoted followers of Jesus Christ

### Outlandish Dreams and Visions

President Kennedy aimed us toward an exceedingly challenging goal, which has been reached, and set us on a journey that has yet to be concluded. Big dreams are like that. JFK's dream did not end on the moon.

There is no shortage of people talking about what can't be done, but few who lead us to stretch to the imagined edge of our capabilities. Sometimes we talk ourselves back from an adventure with promises of comfort or feelings of inadequacy. Yet God can do so much more in us and through us than we can think or imagine.

Paul writes of God's transforming work of grace in the world that culminates fully in three ways: 1. Glory of God, 2. Power of the Holy Spirit in Christians, and 3. Permanent unity of Jesus Christ and the Church. He sums it up this way:

*Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work in us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen. Ephesians 3:20-21 (NIV)*

Whenever I think of how we are not capable of accomplishing this or that and may have seemingly good reason for it, I try to remember that it is God's glory and power, it is God who is doing this great work through us. He is making himself and his gospel known through the Church, through St. Mark's.

Every move we make toward obeying, loving and understanding God is another step on a wonderful journey. We reach milestones along the way and discover there is even more adventure before us. So don't stop. Move on from your greatest achievement, go beyond your personal "moon landing." There is more to experience and discover. More than we can imagine.

Enjoy the journey,  
Pastor Keith

# St. Mark's Food Pantry

There is now a kickoff date for St. Mark's food pantry for families of Overholser Elementary. On Sunday, August 28th doors will open for the pantry. They will then be open each Wednesday from 11 am - 1 pm and on Sundays from 4pm - 6 pm. As we get kicked off we expect to see a lot of families and know that supplies will begin to

dwindle. St. Mark's has done a great job as we prepared and hope that everyone is able to kick in and help make this ministry to a real need in our community to be sustainable and giving us an opportunity to share the love of Christ.

Summertime is here, but sadness and stress do not take a vacation when death, illness, divorce, loss of job or any other problem happens. Your Stephen Ministers are ready and willing to walk along with you this summer as always. Please contact the office at the church or any of your Stephen Ministry leadership, Jan Greve, Dorthy Lynch, Carla Brueggen or Bobbi Pinkerton for a referral. Your request will be handled with complete confidence and assigned to a Stephen Minister after careful and prayerful consideration.

## COMING SPECIAL EVENTS

## Paper Drive for schools!

This isn't your old fashioned paper drive. We are not collecting old newspapers but instead copy paper. One of the biggest needs that schools have these days is having enough copy paper. Between announcements, art projects, reports, assignments and so many other places. In our work with our local schools we are asking people to bring reams of copy paper on Sunday August 18th. We will

get it Overholser and Council Grove to help them get ready for the coming school year. To maximize your gift we encourage you to work with your class, friends, study group or others to get together and by it in cases where savings can be well over 50%.
