

Stephen Ministry Weekly Prayer Request Newsletter – March 8, 2025

Vicki Pellegrini – Vicki still gets lightheaded and sometimes dizzy if she leans way back or moves too quickly. Please continue that she will have complete healing from her fall.

Bob Canary – Bob's first test has led to a scheduled angiogram on March 17. Please pray the test will provide his physician with the knowledge to take care of Bob's heart symptoms.

Kathi Wagner (Dot Lyon's daughter, Lory's best friend) – Kathi has cancer and just learned that it has spread throughout her body. Please pray for comfort and peace for Kathi and her family.

Carol Dalton – Carol was seen by a pain management doctor this week. She will have a neurology appointment on March 21, 2025. Please pray the neurologist will find what needs to be done for Carol.

Kai Brimson (Joey Pedigo's niece Allie's son) – Kai's MRI has been scheduled for later in March. Please continue praying that the MRI will be negative but if not that it will show something that is treatable.

Hudson, Allie, and Bailey – Hudson, Allie and Bailey are home now and doing well. Thank you for all your prayers.

Linda Carroll (Aunt of Lori Evans) – Linda is still taking PT at home and continues to get better. Please pray that she will have a complete recovery.

Jenna Kidd – Jenna is now over her respiratory virus. She has started PT for her back and feels like it will be helpful. Please continue to pray for complete relief of her back pain.

Donna Shriver – Donna's cardiologist thinks her problems have probably been caused by poorly controlled blood pressure. He has added a new blood pressure medication. She will return in June to check to see it has been effective. She believes she is on the road to recovery and would like to thank you all for your prayers.

Bill Underwood – Bill had his first chemotherapy treatment this week. It went well, but he has lost the ability to taste things as well as suffering with fatigue. Please continue to pray that the chemotherapy works and for complete healing of Bill's cancer.

Cheryl Pavelko – Cheryl continues to feel better each day. Please continue to pray she will have complete healing.

Kelli Pavelko – Kelli is still working and is lobbying her manager for more hours. Please pray she will stay off drugs and keep the job.

LaDonna Matthews – Continue to pray for peace and comfort for LaDonna after she has been placed on hospice.

Billy Joe Watson (Friend of Wayne Barnes) – Billy Joe is still waiting on scheduling of his back surgery when his doctor thinks he is strong enough. Pray for renewed strength for Billy.

Beverly Clark – Please continue to pray for Beverly as her financial and medical problems are still not resolved. She appreciates your prayers.

Barbara Hill – Reminder that Barbara will remain in Jim Thorpe Rehab until the 11th of March. Please pray that they will be able to build up her strength and she can restart Chemotherapy.

Michelle (Co-Worker of Sara Votaw) – Please pray for Michelle. She had to have another procedure this week. Pray for complete healing.

Evelyn Moore – With her PT and the homework they give her to do at home, Evelyn feels like she is getting better. Please pray she has total healing.

Lief Hill (son of a friend of Wayne Barnes) – Please continue praying for this young man that the chemo will alleviate his rejection of the stem cells he received.

Fred Dalton – Reminder that Fred's surgery has been scheduled for March 19. Please continue to pray for a successful result that ends his back pain.

Winn Lusk – Unfortunately, Winn has not had any relief for any of his problems. Please continue to pray for a neurologist appointment as well as financial help.

Ginger Fenton (daughter of Dianna and Jeff Davidson) – Ginger was offered nausea prior to chemo so hopefully she will have relief from the nausea she had with last chemo treatment. Please continue to pray Ginger will have enough shrinkage of her breast mass to have the planned mastectomy. She will continue treatment after the mastectomy.

Dianna Davidson – Dianna is still having some nausea in the mornings. Please pray this will go away and she can have her dialysis sessions with relative ease.

Judy McMinn – Judy was able to walk 12 feet yesterday after no walking at all for about 8 weeks. She states that her PT is very good and hopes she will continue improvement. Please pray this is so.

Cheryl Andrews – Cheryl is back in her facility with a seizure medication (Keppra). It makes her very sleepy so hopefully she will get used to the medication and sleep less.

Tiffany Montesano – Please continue to pray for Tiffany as she struggles most days with the symptoms of pancreatitis. Pray for a cure someday of this terrible condition.
