## Great Resource Available

Feel free to pick up one of the boxes on the church counter if you are looking for a great way to open some great conversation around your family dinner table with these discussion starter questions.

St. Markians,

We are always seeking to keep people informed and up to date on things going on at the church. Information on Key events, changes that come up, reminders, and other things come up from time to time that we want you to be aware of. To do that we try various methods from the Church Web Page, e-mails, texts, etc. we attempt to get the word out. One of our sources that has proved helpful lately has been texting. The service we have been using has gone up significantly in price and is continuing to limit the amount we can do. At the end of this month, we will be taking a different route with texting information to save money and improve the system.

We want to invite you to take advantage of this information source and want to help make the transition easy and smooth for you. We will be using a service called "Remind". It should be easier to use and gives you the option to respond which our old service did not do. Below is how you can sign up and start getting messages. If you have any trouble, please contact the church office and we will give you a hand getting signed up.

## Daily Devotionals by church members wraps up

Today will be the last of our daily devotions. Over the past 15 months they have been a blessing to both those making them and to those who watched them. With over 400 devotionals done by over 40 people taking part it has been a growing experience. Now that things are returning to normal we hope you continue spending daily time with God and also take advantage of Small Groups, Sunday School, worship and other means to daily grow closer to God. Thanks for all who have helped and for those who have enjoyed. Let's continue to seek God daily.

All the devotions that we have done are also available if you would like to see any of them again. To access them you can go to "Youtube.com" then enter "St. Mark's United Methodist Church, Bethany" in the search bar and then click on our stained glass window in the search results and go to videos. Both videos and past sermons are all posted there. We will continue News Notes twice a week (Tuesday & Thursday).

## In Person Services Guidelines

In addition to our continued support of online worship, we are excited to say the live service has been and going well. When you feel comfortable we invite you to join us for services.

Before attending the Service ask yourself these questions:  
Are any of the following true for you or anyone in your party:

- Showing any flu-like symptoms
- A fever of 100.4 or higher in the past 14 days.
- Prolonged exposure to someone who has tested positive for COVID-19 in the last 14 days.

Any medical reason to think you should not be around others.

If you answered yes to any of these, we strongly encourage you to watch the services online rather than attend service. You can participate online by going to YouTube.com and searching for St. Mark's United Methodist Church, Bethany, OK, there you will find a link to the service on Sunday morning.
