Global Ministries Missionaries: Ngoy and Umba

Merry Christmas and Happy New Year 2023

"The people who walked in darkness have seen a great light; Those who dwelt in the land of the shadow of death, upon them a light has shined" (Isaiah 9:2).

Dear Mission Partners,

Greetings to you in the name of our Lord Jesus Christ. We hope this newsletter finds you and your loved ones doing well during this Christmas Season. We are glad to let you know that we too are doing well both in our personal lives as well as in our mission and ministry. Praise the Lord for loving us, having good thoughts toward us, and for being in control of our lives and mission.

We are so thankful for your continued love, prayers, financial support, and encouragement. Ngoy and I appreciate you very much. Together we bring souls to the kingdom of God, changing lives one at a time. May God's blessings be upon you and your loved ones this holiday season and throughout the coming year.

It is a joy to share again with you the work the Lord continues to do here in Tanzania.

In Kigoma, we started building St. Mark's UMC in July of 2022. The building is in its final stage of completion. The congregations and pastors are so happy. Thank you for reviving the hope and dreams of the congregants of St. Mark's UMC in Gungu.

We cannot repay you, but the Lord knows all prayers and financial support you have given toward this project. THANK YOU, THANK YOU!

them. We are grateful for this eye-opening experience for our students.

Ngoy has held workshops in several cities. The theme has been “Create and Build a Successful Marriage.” This was a very insightful and informative experience for couples to build their marriages.

A memorable experience for our students

Wesley students in front of Parliament of Tanzania

Visiting Parliament for the first time was a dream come true for 115 Wesley Primary School students. With much enthusiasm, our students were so happy as they entered Parliament. Apart from just visiting Parliament, our students visited the capital city of Tanzania, Dodoma, for the first time, and this was something very memorable to

After their visit to Parliament, students had so much to say. Hadija, a standard V student had this to say,

“I only see the Parliament on TV. I am so privileged and blessed to be here. I sincerely thank Wesley staff for their wonderful facilitation.”

Making a difference through Education

This is Rose (left) and her mother, Pendo. Rose had just completed her primary school and will be starting secondary school in January 2023. Through your financial support, Wesley Primary school provides a pathway to education for boys and girls,

most of whom would otherwise be unable to attend school. We are thrilled that three of the sponsored students graduated from college this year. They will be now working to support themselves and their families. It's a dream come true! We are so grateful to all of you for investing directly in the lives of children living in poverty.

"This is to my Father's glory, that you bear much fruit, showing yourselves to be my disciples." John 15:8

On November 19th, we celebrated a milestone for our kindergarten students. Seventy students will be joining Wesley Primary School next year.

Again, thank you for your prayers, a note of encouragement, and financial support.

We pray that you all enjoy a safe holiday.

Grace and peace,
