

Stephen Ministry Weekly Prayer Request Newsletter – November 29, 2025

Donna Shriver – Please continue to pray for Donna to have her mastectomy on December 5 without any problems. Pray for clean borders so that the mastectomy may be the only treatment needed.

Donna Lautzenhiser – Please continue praying for Donna as she goes through the different stages of diet while her esophagus heals. Pray the healing will be quick and complete.

Kevin (Becky and Steve Chessmore's son) – Please continue to pray that when Kevin does receive the results of his heart monitor, the results show a healthy, strong heart without a single defect.

Isaac Roman – Isaac continues to improve. They have just started testing for causes of his heart failure, but he says he is at peace if they do not find the cause. Please pray for improved energy.

Cindy Wilkerson – Cindy is still in rehab care which seems to have helped in gaining back her strength. Please continue to pray that she will be strong enough to return home for Christmas.

Beth (Bidne) Cook – Beth continues to think that her treatments are working. She has had more feeling in her feet this week. Please continue to pray that one day soon the neuropathic pain will be gone.

Jennifer and infant son Jacob (friend of Christy Kiespert) – Jacob is really being helped at Bethany Children's Center. He is getting stronger, and they are running tests to see how they can help him. Continue to pray that he will thrive there.

Vickie Wines (Grandmother of Chealsie Zink) – Vickie remains about the same. Depending on whether the week is after her treatment or not determines how she feels. Please continue to pray for her through this cancer battle.

Beverly Clark – Beverly was able to go to her grandson's house for Thanksgiving. She did fairly well but is exhausted and sore with aching in her hand with gout. Please continue to pray for her.

Tony Pellegrini – Tony decided to have his treatment, and his doctor gave him a prescription to help with depression that goes along with the treatment. He is going to try this medication until his next treatment in 3 weeks. Pray that the medication will help give him calmness and peace to give the treatment the time needed to get rid of his cancer.

Jim Donnan (Deb Wade's co-worker's father) – Please pray for continued strength and less pain in his neck. A heating pad helps, but he has had to use it more recently.

Kason (grandson of Cheryl Pavelko) – Cheryl has not heard from Kason's family so does not know what the plan for his new diagnosis is. Please continue to pray for Kason to have complete healing.

Sandy Rutherford – Sandy is feeling well. She will return to see both her surgeon for her recent procedure as well as her cancer doctor in a couple of weeks. Hopefully, she will be released from her surgeon, and the cancer doctor will give her good news.

Barbara Hill – Barbara is continuing her cancer treatment, and with the treatment being given at a slow rate and medication for the side effect of nausea, she feels good about completing her treatment. Please continue praying for her diabetes to stay with good numbers and that treatment will be able to be completed. Please pray also for Barbara's friend, Elmer, who was just diagnosed with bladder cancer.

Lief Hill (son of a friend of Wayne Barnes) – Lief was allowed to come home from the hospital for the holidays, but he is having to wear oxygen at all times. To make matters worse, his father was laid off from his job. Please pray for the entire family, for Lief's health as well as the need for the father to find a new job.
