**FALL 2020
ST. MARK'S TO HOST**

Whiz Kids

BE A VOLUNTEER!

St Mark's will host another ministry opportunity this fall...Whiz Kids! So just what will we be doing? That is a great question! We will be hosting several 2nd thru 5th grade students from Overholser Elementary immediately after school, one day a week throughout the 2020/2021 school year. Each of these students will have been identified by their respective teacher as reading below his or her grade level. We will provide one-on-one tutoring to each of them in order to improve their reading skills.

So what is the need? Separate conversations with individual teachers at Overholser indicate that as many as 30% of their 600-plus students may be "at-risk" relative to their reading level. Additionally, statistics show that students who still read below their grade level by the time they enter 6th grade

are 40% more likely to spend time in the Oklahoma penal system as an adult than are those who are reading at or above their grade. The gap is huge, the need is real and it is right in our back yard! The staff members at Overholser Elementary from the principal, Marge Iven, on down are excited that St Mark's has stepped forward to help close this gap. But Whiz Kids is much more than a tutoring program.

Whiz Kids also is a "faith-based" mentoring program. Each of the 34 Whiz Kids sites throughout the metro area is hosted by a church; thus the "faith-based" part of the program. And the fact that each student receives one-on-one attention from the same tutor throughout the year highlights the mentoring aspect of this vital ministry.

We know that the day we will provide tutoring each week will be either Tuesday, Wednesday, or Thursday. We also know that the time of day will be right after school dismisses: 3:45pm - 5:45pm.

Do not be concerned if you lack tutoring experience: training will be provided. The only tools you need are a deep faith founded on the grace and salvation of Jesus Christ and the resulting heart to touch lives in a meaningful, Christian manner.

So if you are looking for a way to give back...a way to impact both the children of our community as well as our community at large, this is a great ministry opportunity! These students are simply waiting for you to step forward! Please contact Mark Walpus at 405.887.6067 if you are interested in helping these students change the trajectories of their lives!

Kenya Mission Trip Team Forming for Trip August 1-11, 2020

Mark and Kinsey serve in central Kenya where they are active with a pizza & coffee shop, the One World Cafe', in the town of Nyahururu. Mark is currently working with area officials to develop plans for drilling wells that will provide clean water for area residents, like the one we funded in Magomano, and the Foglemans are active in discipleship and missionary training with a local organization called God's Grace for All Nations.

Team members will be doing some combination of assisting with a VBS at the Children's Home, working on the Magomano Water Project, helping with the Cafe' and training residents in biblical or business issues.

If you have interest in being a part of the team from St. Mark's grab a brochure at the Welcome Center and learn the details of the trip.

ISRAEL TRIP PLANNED

St. Mark's will be part of a team going to Israel in the first two weeks of June, the 1st - 14th. The trip will include attendance at the Hope and Resilience in a Broken World conference, as well as traveling through the land known as "The Fifth Gospel".

If you are interested in finding out more about this adventure of a lifetime, contact David Roman at church or via email at: dbjkni@gmail.com.

Grace and peace, David Roman

STUDENT MINISTRY

SPRING BREAK MISSION!

The mission has changed from a high school trip to a local mission that will include both middle school and high school! I am currently in contact with several ministries in the area to co-ordinate what that week will look like. I'll get you those details as soon as I have them! In the meantime, you can expect that there will be 3-4 days of service projects followed by a fun activity, whether that be a small trip or something fun and local. More info coming soon!

WEDNESDAYS!

Dinner is at 5:30 for \$3/person and programming begins at 6:15.

The next several Wednesdays, the topic is **Forgiveness** - understanding God's forgiveness for us and how to extend that to those around us. My hope is that this will be a challenging and healing topic, and that it will also provide practical ways for the students to deal with past, present, and future hurts.

The night of **Wed, March 18**, there will be no youth programming because of spring break. If there is something that evening involving the spring break mission, I will let you all know once those plans are finalized.

SUNDAYS!

Sunday School is at 9:45 and Big Church is at 10:55.

Sundays just keep rolling along thanks to our amazing teaching team, Sally, John, Adrienne, Gwen, and Mike!

JESUS UNIVERSITY!

JU is a scholarship program funded by our STRIVE fundraiser. Students enrolled in JU receive credit for attendance at weekly programming, camps, retreats, etc. Scholarship money is granted based off the credits students earn, and students may use this money to go towards continuing education after graduation. Signup happens each fall!

JU attendance continues to be taken for this school year, so make sure you're coming to everything! Also, remember to arrive by 9:55 on Sunday mornings to receive full credit. **The banquet date is July 26th!**

OFFICE TALKS!

This is a new thing! On Wednesdays that we have programming, from 5-5:30, I'll be available in my office for students to speak with me individually or in groups for 15-30 minutes. We can discuss fun things, hard things, or whatever! I'll have a signup sheet outside my door!

We will look at real-life pictures and illustrations, learn scientific facts, and pray to our Creator God together. Each week, children will recite a memory verse that correlates to the lesson.

RICE BOWLS

This Lenten season we will have the opportunity to make a difference in amazing kids lives. Rice bowls is an amazing organization feeding, orphaned and hungry children. You can pick up your bowls any-time. Challenge your friends, members in your family, give up a drink a day and drop that change in the rice bowl and we will gather them all together on Easter morning and make a real difference. Watch for stories, and more information about the many ways Rice Bowls can make a difference and then start filling those Rice Bowls.
