

Stephen Ministry Weekly Prayer request Newsletter – October 10, 2026

Laurie Bucholtz – Sadly, Laurie passed away this past Sunday. Her memorial service was held on September 9 at the church. Please pray for Lisa and other family members as they grieve.

Christina Baisden – Christina is feeling better except for soreness. Please pray for complete healing for Christina following surgery.

Barbara Homer – Barbara's eye is almost well, but she has not had return of her energy. Please pray for strength for Barbara and for complete healing of her eye.

Donna Shriver – Donna's sodium level is to the point she has been taken off IV treatment and will be given a pill to help regulate her sodium level. She will be moved to a regular room as soon as one is available. Please continue to pray for Donna to regain strength and have complete healing.

Jason Jupiterwala – Jason had his repeat CT scan this week but does not have the results yet. Please continue to pray that the CT scan gives the doctor a good report.

Karen Hall – (Friend of Sandy Kelly) – Karen will have her surgery on October 20 to remove the mesh that was placed before her surgeries to prevent blood clots. Please pray the surgery goes smoothly. She is beginning to get her strength back but still tires easily.

Bobbie Gaston – Bobbie is having some improvement in the strength of her legs. Please pray that this improvement continues.

Mary Jane Svejksky – Mary Jane continues to have fatigue but otherwise feels well. Please continue to pray for something to give her energy.

Tamara Spear Kerr (friend of Dot Lyon's daughter, Lori) – Tamara has finished one intense chemotherapy treatment. She will need a few more of these treatments and then will have 12 more treatments that are milder in nature with less side effects. Please continue to pray for complete healing for Tamara

Lucas (12-year-old nephew of Carolyn Grady's supervisor) – Please continue to pray for Lucas to have the treatment necessary to get rid of his tumor and seizures.

John Evans – John can get out and attend church now. He still must rehab more and that will take some time. Please continue to pray for him.

Danny Payne – Danny has had normal lab results for two weeks now and is feeling better. Thank you for all your prayers.

Nichole Norberto – Nikki's finger is making progress, but her teeth continue to give her problems. She keeps having new ones made, but they keep breaking. This is very frustrating for her. Please continue to pray that this problem can be fixed.

Judy Knight – Judy had a good week for which she is very grateful. Please pray that she continues to have good days.

Carol Hall – Please continue to pray for less pain in Carol’s hip and back. Pray also for complete healing of her cancer.

Brittany (friend of Robin Bratcher) – Reminder that Brittany’s repair surgery is on October 12. Please continue to pray for successful surgery.

Brandon Kilpatrick (friend of Steve Ross) – Brandon’s cognitive function is a lot better. He just seems very tired and sleeps a lot. Brandon is waiting to see the Radiation Doctor on Monday of next week to see if the radiation worked. Please pray that it has helped with his cancer.

Coy Sue Tyler (best friend of Loretta Wright) – Please continue to pray that Coy Sue’s doctors can come up with some medication that will heal the infection in her legs and feet. Please continue to pray for Dalton, her husband, as he is very tired taking care of Coy Sue.

Tony Pellegrini – Tony has not been able to get in with a doctor for his back pain. Please pray he will be able to make an appointment with a doctor soon. His vitamins for his sleepiness through the day help in the morning hours but not through the entire day yet. Pray they will start eliminating his fatigue altogether.

Evelyn Moore – Evelyn has finished her antibiotics for her stopped up saliva gland. She is feeling better. Pray that the antibiotics will have cleared the infection. Continue praying for her blood pressure to stay in a good range so she can get out of her house.

Bill Underwood – Bill had his cancer treatment this week and had no side effects. He also had an angiogram, and the doctor was happy. Please continue to pray that his heart remains stable as well as his cancer.

Billy Joe Watson (friend of Wayne Barnes) – Billy Joe continues to need prayer for severe back pain. Please pray his doctors can find medication to help with the pain and healing of his cancer.

Sandy Rutherford – Sandy has had to go to ER twice this week with prolonged seizure activity. She is going to see a neurologist next week. Please pray that the neurologist will have a medication to control these seizures. Her oncologist is going to take her off the cancer pill that has given her so many side effects and put her back on chemotherapy by infusion to hopefully shrink the tumor in her lung which was enlarged again on her last scan. Please continue to pray for Sandy for complete healing.

Mark Stover (SIL of Sandy Rutherford) – Mark is going to undergo a biopsy the spot they recently found on his lung. Please pray the biopsy is benign.

Barbara Hill – Barbara continues rehab therapy on her leg. She will return in two weeks for a recheck with her oncologist. Please pray everything remains normal for Barbara.

Elmer (friend of Barbara Hill) - Elmer continues his treatment and is feeling well. Please continue to pray for healing for Elmer.

Judy McMinn – Please pray for Judy to have good physical care at Heaven House and for patience with caregivers as they help with her movement.

Tiffany Montesano – Please continue to pray for Tiffany to have strength to endure the chronic symptoms of pancreatitis. Pray for days of relief so she can stand the bad days.
